

# Wilson Foundations® Easy Ordering Guide for NYC Core

By implementing Foundations, you are helping to ensure that your students have every resource necessary to become confident, independent readers. Read on to find out what materials you should order in your first year of Foundations implementation and each year after that.

## What do I need in Year 1 of my Foundations Implementation?

As you begin implementation of Foundations, you'll need a complete set of materials for each class (teacher and students). Here's what to order:

- A [Wilson Foundations Classroom Set](#) for each Grade Level. Each set includes a Teacher's Kit, Student Durables and Consumables for 25 students, and a one-year FUN HUB® Teacher subscription. Foundations Level 3 also includes the Wilson Cursive® Writing Kit.

## What do I need in Year 2 and beyond of my Foundations Implementation?

In subsequent years of your Foundations implementation, you will need new Student Consumables for each class. Additionally, some Student Durables may need to be replaced. Here's what to order:

- A [Wilson Foundations Success Bundle](#) for each Grade Level. Each bundle includes Student Consumables for 25 students, replacement Student Durables for 5 students, and a one-year FUN HUB Teacher subscription.

## What if a class has more than 25 students?

If a class has more than 25 students additional student materials can be ordered in packs of ten to ensure that every student has the materials they need.

- [Foundations Student Consumables](#) (student items that need yearly replacement) in packs of 10 for that Grade Level.
- [Foundations Student Durables](#) (items students can use from year to year) in packs of 10 for that Grade Level.

## What's New this Year?

- Wilson Foundations Classroom Sets now include the [Foundations Practice Books](#) for the appropriate Level ([Level K](#), [Level 1](#), [Level 2](#), [Level 3](#)). One FUN HUB Teacher subscription is included in each Classroom Set.
- Foundations Success Bundles ([Level K](#), [Level 1](#), [Level 2](#), [Level 3](#)) include Student Consumable materials (including the Foundations Practice Book) for 25 students, as well as 5 replacement durables and one FUN HUB Teacher subscription.
- [Level 2 Foundations Readers](#) are now available along with Levels K and 1.
- The [Foundations Student Consumables 10-packs](#) for each Level now include the Foundations Practice Book.

**Professional Learning:** Foundations Launch Workshops will be offered in 2025. Details and workshop dates will be released soon.
