

Wilson Foundations® Second Edition (2E) Easy Ordering Guide for NYC Core

By implementing Foundations, you are helping to ensure that your students have every resource necessary to become confident, independent readers. Read on to find out which Foundations 2nd Edition materials you should order in your first year of Foundations implementation and each year after that.

What do I need in Year 1 of my Foundations Implementation?

As you begin implementation of Foundations, you'll need a complete set of materials for each class (teacher and students). Here's what to order:

- A [Wilson Foundations 2E Classroom Set](#) for each Grade Level. Each set includes a Teacher's Kit, Student Durables and Consumables for 25 students, and a one-year FUN HUB® Teacher subscription. Foundations Level 3 also includes the Wilson Cursive® Writing Kit.

What do I need in Year 2 and beyond of my Foundations Implementation?

In subsequent years of your Foundations implementation, you will need new Student Consumables for each class. Additionally, some Student Durables may need to be replaced. Here's what to order:

- A [Wilson Foundations 2E Success Bundle](#) for each Grade Level. Each bundle includes Student Consumables for 25 students, replacement Student Durables for 5 students, and a one-year FUN HUB Teacher subscription.

What if a class has more than 25 students?

If a class has more than 25 students additional student materials can be ordered in packs of ten to ensure that every student has the materials they need.

- [Foundations 2E Student Consumables](#) (student items that need yearly replacement) in packs of 10 for that Grade Level.
- [Foundations 2E Student Durables](#) (items students can use from year to year) in packs of 10 for that Grade Level.

What's New this Year? Exciting Fun Hub News!

For school year 26/27, Fun Hub will include:

- Data and Reporting Suite – provides school-level and district-level data reports
- Digital Student Practice
- New Lesson Delivery Tool – enables the use of interactivities with premade Foundations slides
- Self-Paced Foundations Workshop
- Science of Reading Course

Reminders:

- Wilson Foundations Classroom Sets now include the [Foundations Practice Books](#) for the appropriate Level ([Level K](#), [Level 1](#), [Level 2](#), [Level 3](#)). One FUN HUB Teacher subscription is included in each Classroom Set.
- Foundations Success Bundles ([Level K](#), [Level 1](#), [Level 2](#), [Level 3](#)) include Student Consumable materials (including the Foundations Practice Book) for 25 students, as well as 5 replacement durables and one FUN HUB Teacher subscription.

Professional Learning: Foundations Launch Workshops will be offered in 2026. Details and workshop dates will be released soon.
