Jake the whale was very big. He had many whale friends. They all would ride the waves.

One time, Jake and his friends were out on the waves and Jake dove down into the sea. He went to hide, and his friends did not see where he went. They could not get him. “I think that Jake is lost!” said one of his friends.

But Jake was not lost at all. He did a flip and a jump and was back with his other whale friends. They all swam into the big waves and had fun.
