Brad, Stan, and Jeff had their lunches in a bag to take to the park. At the park, they played many games. Brad had a basketball, and they shot it into the net. At last they sat on a big rock and ate their lunches.

When they were set to go have another contest, Brad said, "I lost my glasses!" He insisted that he put them on the big rock, but they were not there. Stan, Brad, and Jeff went on a hunt for the glasses. The kids must get the glasses. Brad's mom would be upset.

Where could they look? Brad's glasses were not on the steps. Brad's glasses were not on top of the hotrod. Then Stan went back to the spot where they had lunch. There was a shrub next to the rock where they had sat. Brad's glasses were in the branches of the shrub! Brad was **so** glad to get his glasses back. "Thanks, Stan!" he said.
