Dear Family:

Is your child having a lot of difficulty reading and spelling? If so, please make an appointment to see me because slow and inaccurate reading of words are the best predictors of a possible reading difficulty.

For the next two weeks, I will teach the concept of a **closed syllable**. A closed syllable ends in a consonant and only has one vowel. The vowel in a closed syllable is short, as in the word “*math*” or “*cat*.” The recognition of this word structure will be key as we continue with the program.

To mark a closed syllable, your child has learned to **scoop** or **underline** the word, put a c under the scoop to indicate “closed” and a breve (´) over the vowel to indicate it is short.

\[
\begin{align*}
\text{c à t} & \quad \text{or} \quad \text{m à t h} \\
\text{c} & \quad \quad \quad \quad \quad \quad \quad \text{c}
\end{align*}
\]

Even though all the words have been closed syllables, every once in a while ask, “**Is this word a closed syllable?**” and, “**Why?**”

I will also teach these vowel teams using the Vowel Teams poster: **ai, ay, ee, ea, ey, oi** and **oy**. Vowel teams are introduced for reference when students are reading throughout the day. These sounds will be learned in more depth for both reading and spelling in Level 2. In the meantime, we will practice the sounds during our Drills Sounds/Warm Up activity in class.

Let me know if you have any concerns.

Sincerely,
Review closed syllables with your child during the next 2 weeks.

**Follow These 5 Steps:**

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. Do not tap trick words (in bold).
3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. It is helpful if you say the letters as your child writes them.
5. Ask your child to point out the closed syllables in each sentence. (See Answer Key).

Do the “Closed Syllable Search” Activity

spin  crank  ask

no  grab  so

sing  grass  I

lump  smell  tail

pink  eat  snap

Answer Key

Cross out the words no, so, I, tail and eat. Circle all other words.
Do the “Closed Syllable Search and Mark” Activity

Have your child read the words. Cross out any word that is not a closed syllable. Mark up the closed syllable words. Then write the closed syllable words on the lines provided.

Example: boat bāg step
   C   C

   clock   step   trash

   winks   three   at

   boat   chills   toe

   dash   hi   sick

Answer Key

Closed syllables: clock, step, trash, winks, at, chills, dash, sick.
Cut words into flashcards. 1. Each night, help your child **read** all Trick Words from previous units, as well as these. 2. Have your child **trace** each new Trick Word with his or her finger and **spell** it aloud; and 3. Cover up the Trick Word and have your child write it with his or her finger on the table while naming each letter.
