

# Fun in Focus™

**Fun in Focus™ Intervention Kits for Foundations® Tier 2 releasing for the 2024-2025 school year!**

**Fundations Tier 2 just got easier** with our new Kits for Levels 1 and 2. These convenient and comprehensive kits include essential Foundations materials, lesson plan guidance, and student practice for **efficient Tier 2 targeted intervention**. Aligned with Foundations Tier 1, Fun in Focus is an explicit curriculum for students needing additional targeted intervention. Each Fun in Focus intervention lesson is delivered in a structured, teacher-led, additional 30-minute small group format, **providing ample and meaningful student practice**.

# All the Benefits.

Intentionally designed with everyone in mind.

**Teachers:** The all-in-one Fun in Focus™ Intervention Kit alleviates extensive teacher preparation time developing lesson plans and materials for student practice.

**Students:** The intensive curriculum provides the additional, meaningful instruction, and targeted practice struggling students need in order to achieve mastery and keep up with the rest of their class.

**Administrators:** Structured lesson plans and program continuity make successful Foundations® Tier 2 implementations more accessible to a wider set of teachers and interventionists.
